

It's easier than ever to sort out your super

If you've had more than one job, you could have more than one super account. And this means you're probably paying more fees than you need to.

Why combine your super into Cbus Super?

	Save on fees. You pay fees for every super account you own. We keep costs competitive so more of your super stays where it belongs: in your super account.
	Insurance for your industry. With more than one super fund, you could be paying for more than one insurance policy. And other super funds may not cover high-risk working conditions such as working from heights, underground or in confined spaces.
	Benefit from strong long-term returns. Our Growth (My Super) investment option has delivered an average annual investment return of 8.91% since inception to 30 June 2025. ¹
	Keep track of your super. One super account is easier to manage.
	We invest in your industries. Through long-term projects like Cbus Property ² developments we create jobs in our members' industries.

It's easier than ever before

Transferring your super is easy and we can also help you find any lost super.

Two ways to combine your super

1. Combine online

The easiest way to combine your super is online. Simply log into your online account at cbussuper.com.au/login and go to *Consolidate your super*.

OR

2. Complete and sign the attached form

Send the form back to us at
Cbus Super, Locked Bag 5056, PARRAMATTA NSW 2124
Or you can email your form to us at
cbusenq@cbussuper.com.au.

If you need help finding your super or completing the form, call us on **1300 361 784** and we can help you over the phone. You can also visit your nearest Cbus Super front counter or arrange for a Cbus Super Coordinator to meet with you. Go to cbussuper.com.au/contact for details.

Watch our *How to consolidate your super* explainer video at cbussuper.com.au/knowhow to learn more.

¹ Since inception from 1 July 1984 to 30 June 2025. The average annual investment return is based on the crediting rate. The crediting rate is the investment return minus investment fees and costs, transaction costs and investment-related taxes and until 31 January 2020, the percentage-based administration fee. Excludes fees and costs that are deducted directly from members' accounts. Past performance is not a reliable indicator of future performance.

² Cbus Property Pty Ltd is a wholly owned entity of Cbus Super and is responsible for the development and management of a portfolio of Cbus Super's property investments.

Important information about combining your super

Things to consider when combining your super

Combining your super can save you money and hassle, but there are a few important things to check first:

- **Fees and costs** – Will the fund you're transferring from charge any fees? How do fees and insurance premiums compare? This can make a big difference to how much you have when you retire.
- **Insurance cover** – Will you lose any insurance cover or other benefits? And are you eligible for enough insurance cover and other benefits with your chosen fund? You may be able to transfer your insurance to Cbus Super before you close that account (see below).
- **Contributions** – Can your employer contribute to your chosen fund?
- **Performance** – How have both funds performed over the medium to longer term? (But remember, past performance is not a reliable indicator of future performance.)
- **Advice** – Will access to financial advice about your account be available as part of your membership?

Transfer your insurance cover first

If you're going to apply to transfer your insurance cover to Cbus Super, don't submit this form until the insurer accepts your application.

Visit cbussuper.com.au/insurance for more information about insurance through Cbus Super. To check if you're eligible to transfer cover to Cbus Super log into your online account, select *Insurance*, then Go to *Insurance Online*. Alternatively, use the *Transfer my other insurance* form at cbussuper.com.au/forms.

Providing your TFN

You don't have to give us your TFN, but if you don't, you may be taxed at a higher rate and we won't be able to search for other super you might have. Learn more at cbussuper.com.au/tfn.

Under the *Superannuation Industry (Supervision) Act 1993*, we're authorised to collect your TFN, which will only be used for lawful purposes. These purposes may change in the future as a result of legislative change. Your TFN may be shared with another super provider when your benefits are being transferred unless you request in writing not to.

Combining a self managed super fund

If you're combining your SMSF super balance into your Cbus Super account, you will need to provide us with the name, ABN and Electronic Service Address (ESA) of your SMSF.

If you need an ESA, you can obtain this from:

- your SMSF Administrator, tax agent, accountant or bank; or
- a dedicated SMSF messaging provider – go to ato.gov.au for registered providers

This form won't change where your employer pays your super

Using this form won't change the fund your employer pays your super contributions into. To do that, log into your online account at cbussuper.com.au/login and go to Notify your employer or complete a *I want my super paid into Cbus Super* form, available at cbussuper.com.au/forms.

You need to provide proof of identity to search for other super

You have three options for this:

1. Electronic ID (see step 3 in this form)

The easiest way to provide proof of identity is to complete **Step 3** of this form. You'll need your Medicare card and drivers licence or passport so we can verify your identity electronically.

2. By email (Selfie ID)

- Email us a photo of you holding your Australian drivers licence, as well as a clear photo of the back of your drivers licence **OR**
- Email us a photo of you holding your passport.

The selfie needs to be close up so we can read the writing on your ID.

3. By post (Certified ID)

- Send **certified copies**¹ of these documents to us by post:
 1. Australian drivers licence (both sides) **OR** passport **AND**
 2. One of the following: birth certificate/extract², citizenship certificate or government-issued concession card **AND**
 3. One of the following:
 - phone, electricity, gas or water bill (from past three months)
 - bank statement that includes your name and address (from the past six months)
 - Australian Taxation Office notice or council rates notice (from the past 12 months).

¹ Your documents can't be expired, though an Australian passport can be used if it expired within the past two years.

² The name on your birth certificate/extract needs to match the name on your Cbus Super account.

Read the *Identification requirements* brochure at cbussuper.com.au/id for further information.

Has your name changed or are you signing on behalf of another person?

You'll need to provide additional proof of identity. See the *Identification requirements* brochure at cbussuper.com.au/id for more information.

This form cannot be used to:

- transfer benefits if you don't know where your super is (but you can use this form to search for it)
- change the fund your employer pays your super contributions into
- open a super account, or
- transfer benefits under certain conditions or circumstances (e.g. if a super agreement under the *Family Law Act 1975* is in place).
